

Technical drawing of a fireplace mantel assembly. The drawing includes a side view and an end view. The side view shows a mantel with a curved top and a base. Dimensions are provided: a total height of 9 1/2" and a base height of 2 3/8". The end view shows the mantel's profile with a width of 7 1/8". Callouts indicate materials: WD-3 for solid wood and ST-2 for stained end cap. A note specifies that the bulkhead adjacent to the fireplace is cut at a right angle to the fireplace and does not return back to the wall. The mantel is to be stained on all exposed sides. A dimension line indicates the length varies and should be seen in the reflected ceiling plan.

WD-3 ST-2

9 1/2"

7 1/8"

2 3/8"

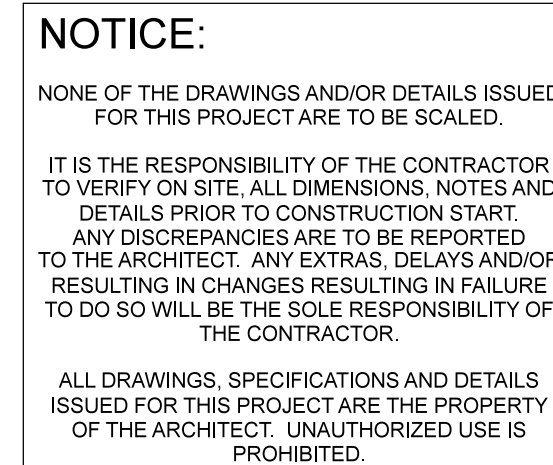

VARIES IN LENGTH- SEE REFLECTED CEILING PLAN

WD-3 ST-2

NOTES: BULKHEAD ADJACENT TO FIREPLACE IS CUT AT RIGHT ANGLE TO FIREPLACE AND DOES NOT RETURN BACK TO WALL. MILLWORKER TO PROVIDE STAINED END CAP AT FIREPLACE END. STAINED ST-2. REFER REFLECTED CEILING PLAN AND 1/A203
