

D4

GENERAL NOTES:

Do not scale drawings.

General contractor and all subcontractors must verify all job dimensions, drawings, details and specifications and report any discrepancies to designers before proceeding with work. Oomph will be liable for any errors and omissions not reported by General contractor.

All workmanship is to be in accordance with the Ontario Building Code and applicable municipal by-laws and fire regulations.

General contractor and all subcontractors shall submit all necessary samples for approval of finish and quality to the designer prior to proceeding with the work.

General contractor shall notify the client in writing of any items requiring amendment to the original contract price. Owner to give written approval for all additional work prior to the commencement of work.
